

There you are. We were just about to leave.

?

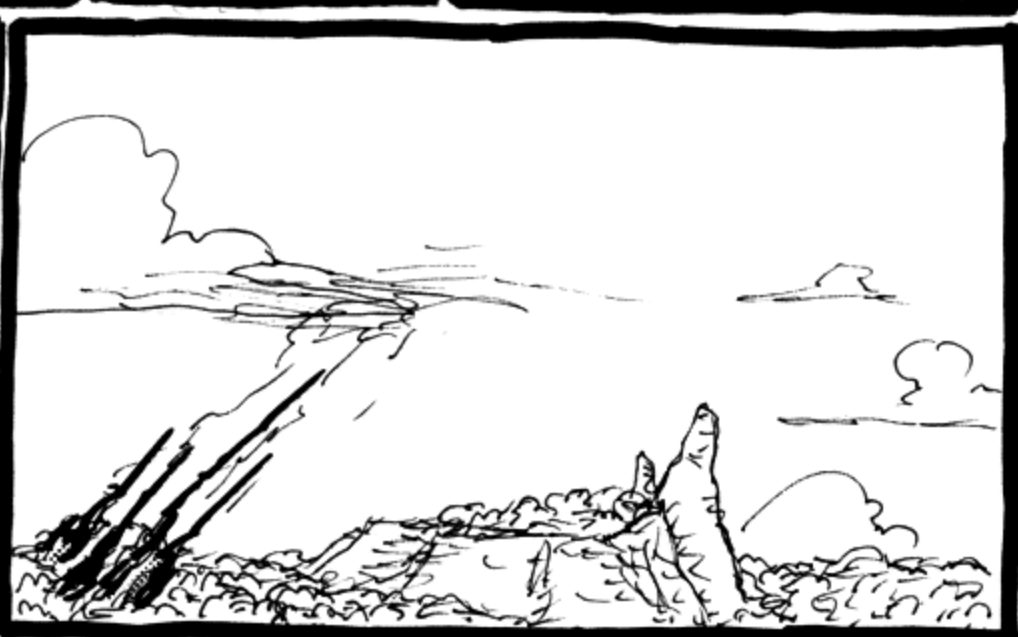

Can we eat first?

Oh sure.

And he'll be coming with us.

Here.

Can't go out
without some
armour.

We're going
back to town
to take what
we can, then to
Ravenholm.

Ravenholm?

A new town,
A small island
in the ocean,
I think four
of us are
already
there.

I'll have to
make multiple
trips to bring
everyone
and thing.

How
many were
living in
town?

Damage
wasn't as
bad as I
thought.

Where
did that
freak
go?

Well... let's
take what
we can...

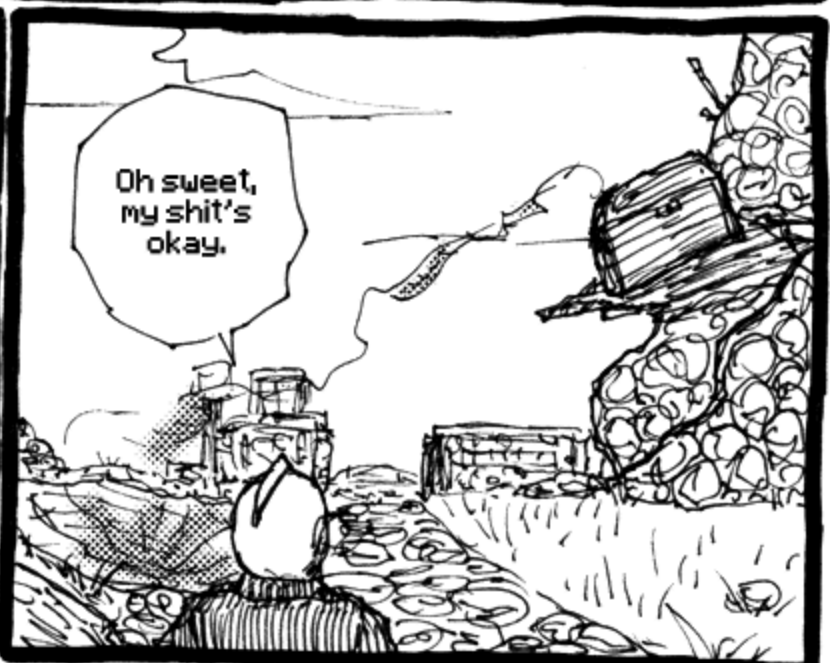

Yeah...

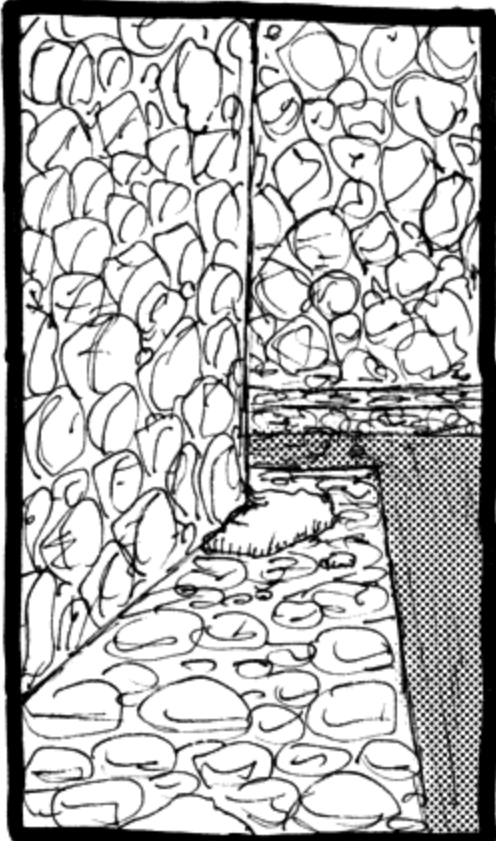

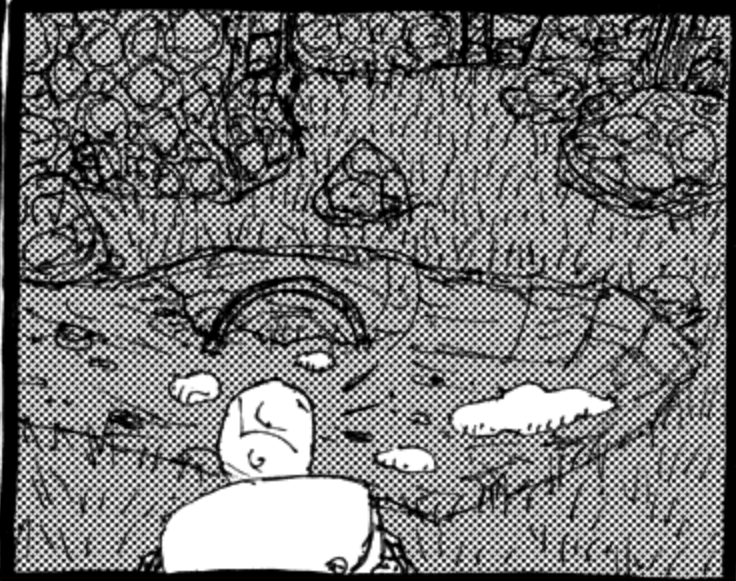

My...
house...

...

Can we go now?

Okay.

WAIT!!

HAH

WAIT UP!

Oh!

Who the fuck?

One freak for another?

HAH

Can I come too?

Sure!

Shitpit City

You guys go on ahead. I'm going to take a break.
